

History

Ancient Greece

- Explore how we know about the Ancient Greeks who lived over 2,500 years ago
- Explore what we can work out about everyday life in Athens from pottery evidence that remains
- Identify why Athens was able to be so strong during this time
- Understand what was so important about Athens in the 5th Century BC that makes us study it today
- Identify what we can tell about the Ancient Greeks from their interest in the theatre and festivals like the Olympics
- Consider ways in which the Ancient Greeks have influenced our lives today

PSHE

Relationships

- Recognising Me
- Safety with Online Communities
- Being in an Online Community
- Online Gaming
- My Relationship with Technology
- Staying Safe and Happy Online

English

Whole Class Shared Text- Who Let the Gods Out?

- **Non-Fiction writing (Biographies):** Hydronne the Secret Greek Goddess
- **Non-Fiction writing (Persuasive Essays):** Why should we ban littering? (A solution to pollution)

Whole Class Reading

- **Assessment practise** (various texts)
- **Greek Myths** (Various texts)

Science

Forces

- Explore gravity and the life and work of Sir Isaac Newton
- Examine the connection between air-resistance and parachutes
- Explore factors which effect water resistance
- Explore factors which effect friction
- Investigate mechanisms – levers and pulleys
- Investigate mechanisms - gears

P.E.

Striking and Fielding: Rounders

Use the correct technique for batting and bowling in rounders.

Use the correct techniques for throwing and catching when fielding in rounders.

Know the roles and responsibilities of the backstop and bases in rounders.

Field effectively and demonstrate good skill and technique

Know the roles and responsibilities of the deep fielders in rounders.

Field effectively in these positions and demonstrate good skill and technique

Be able to 'read' the game and apply tactics to outwit opponents

Know and apply the rules of rounders during a game

Use a range of throwing, catching, fielding and batting strategies.

Mathematics

- **Fractions**
- **Decimals**
- **Area, perimeter and volume**

DT

Food: Greek Food

- Evaluate traditional Greek ingredients and recipes
- Plan a Greek inspired dish
- **FOCUSSED PRACTICAL TASK:** Peeling, chopping, grating
- Measure, prepare and combine ingredients
- Make decorate and present a food product appropriately
- Evaluate the final product with reference back to the design brief

5/6 Summer 1

History Focus:

Ancient Greece

How have the Ancient Greeks influenced our lives today?

How do our ideas, beliefs, attitudes and way of life compare to the Ancient Greek's?

Religious Education

How can following God bring freedom and justice?

- What can we learn about the story of the Exodus in the Bible?
- Where do we think the Exodus story shows Moses' trust in God?
- How might the Exodus story help Christians when life gets tough?
- What do we think about the importance of the Ten Commandments?
- How do many Christians try to bring freedom and justice (themes from the Exodus story) into today's world?
- What can we say about the Exodus story, its themes and its importance for Christians today?

Computing

Computational Thinking + Programming B

- Use variables in a computer program
- Name variables effectively in our programming
- Program a greater range of variables
- Use repeat loops to make code more efficient
- Program the artwork and design of a game
- Apply our programming skills to code a game

French

À l'école (At School)

- Repeat and recognise the vocabulary for school subjects
- Say what subjects we like and dislike at school
- Say why we like/ dislike certain school subjects
- Tell the time (on the hour) in French
- Say what time we study certain subjects at school

Music

Enjoying Musical Styles

How Does Music Shape Our Way of Life?
