

# Y'S WONDER CLUB SUPER SCIENTIST BADGE

To earn your badge, you need to complete all three of the following tasks:

1

## Think up a question!

Tell us what you would like to investigate? Make a prediction of what you think your results will be (scientists call this a hypothesis).

2

## Investigate it!

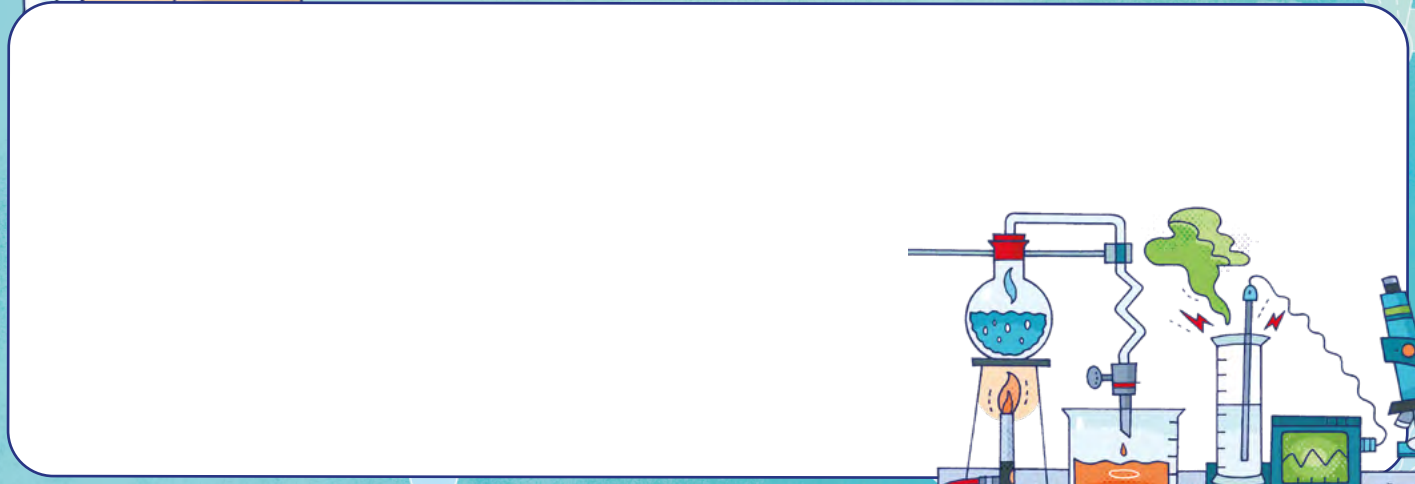

Plan and carry out an experiment to investigate your question. Tell us what you did...

3

## What did you discover?

Tell us about your results and conclusions. Did they surprise you? Did they lead to more questions that you'd like to investigate further?
