

Here's three different Maths Challenges that you could try before we meet you when you're in Year 7! We can't wait to hear how you get on with them! 😊

EXPLAINING TO OTHERS
 Pick your favourite maths topic and make a poster to teach someone else all about it.

TRYING DIFFERENT THINGS
 Try some of the fun Maths activities on Transum:
https://www.transum.org/Software/Fun_Maths/

MATHEMATICAL DRAWING
 Elevations and Plan Views: Can you draw a plan view of your house as well as the front and side elevations? If you're not sure what they are, look here:
<https://www.bbc.co.uk/bitesize/guides/zqjhy4j/revision/10>
