Churchward

Mrs Jennings

Mr Baker

Miss Warren

Miss Tyrer

Mr Davis

The Science teachers at Liskeard School LOVE Science. We cannot wait to meet you and explore the wonderful and exciting world of Science.

Choose ONE, TWO or THREE of the Science Challenges below!

BIOLOGY CHALLENGE: ANIMAL AND PLANT ADAPTATIONS

Research and produce a poster on the following organisms. How are they adapted to living in their habitat? What are their different adaptations and how do these help them to survive?

Leopard Seal, Emperor Penguin, Saguaro Cactus

CHEMISTRY CHALLENGE: pH INDICATOR (you MUST be supervised by an adult at ALL TIMES)

Follow the link and make a pH indicator. Find out whether shampoo, conditioner, vinegar and milk are acids or alkali. Use the internet to find out if your observations are correct

https://www.stem.org.uk/system/files/elibrary-resources/legacy_files_migrated/8458-catalyst_20_1_433.pdf

PHYSICS CHALLENGE: FALLING HELICOPTERS

Follow the link and make a paper helicopter. Find out whether the weight acting on the helicopter or the wing span of the helicopter affect how quickly it will fall to the ground
