HISTORY is such a brilliant subject with loads of fascinating people and events to investigate. We are really looking forward to teaching you in Year 7.

Look at the activities below and choose **ONE, TWO, or go for all THREE!**

Tell us about what you already know!

Produce a poster on your favourite thing that you have learnt in History at primary school. It could be a person, an event, or a period. What do you know about it and why was it your favourite? Try to include some key facts as well as some images.

Horrible Histories (we love them!)

Go onto the website <https://www.bbc.co.uk/cbbc/shows/horrible-histories> and have a look around. There are lots of things to watch, listen to, and read. Then please produce a piece of work on what you have found out - it can be in any format, you can choose!

1066

When you arrive in Year 7 the first main piece of work will be to investigate the events of 1066. Can you name 3 key people? Can you name 2 key battles? Can you give 1 reason why there was so much fighting? <https://www.bbc.co.uk/bitesize/topics/ztyr9j6/articles/z3s9j6f>
