**Client:** Spiderman

**Design Brief:** I have just moved house and I want a new wallpaper designed for a secret room. It needs to be something to do with spiders and I would like it to be bright and colourful.

Can you help?

**Client:** Goldilocks

**Design Brief:** Apparently, other people don't like it when you eat from their bowls so I would like someone to design me my own bowl. I would like the pattern to have flowers on.

Can you help?

**Client:** Aladdin

**Design Brief:** The genie is good at making new clothes but they are all a bit plain. I need someone to design me a jacket with a pattern fit for a prince.

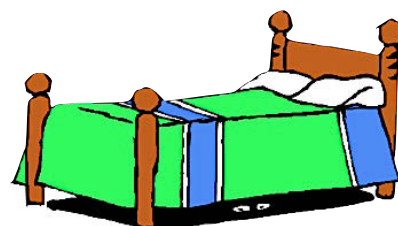

Can you help?

**Client:** Sleeping Beauty

**Design Brief:** It seems I will be sleeping for a very long time and I want to do it in style. I need someone to design me a duvet cover with a pretty pattern. My favourite colours are red and purple.

Can you help?

**Client:** Tooth Fairy

**Design Brief:** I collect teeth all day and it is very tiring. My "tooth bag" broke and I need a new one. I would love one that has a toothbrush pattern on it. My favourite colours are red, white and blue.

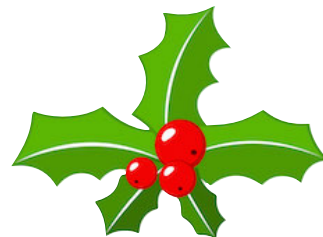

Can you help?

**Client:** Father Christmas

**Design Brief:** Ho Ho Ho, Merry Christmas! I need a new sack to hold all the presents I deliver. My old sack broke last Christmas and I haven't made a new one yet. I would love the sack to have a red and green pattern.

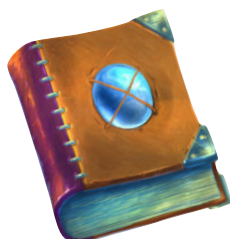

Can you help?

**Client:** Merlin

**Design Brief:** I have just finished writing out my spells in my new spell book. The book needs a new front cover. I would like it to have a pattern with stars, moons and lightening bolts.

Can you help?

**Client:** Little Red Riding Hood

**Design Brief:** I left my red jacket in the woods and I am too afraid to go and find it. Could you design me a new jacket? I love red and white colours and it would be great if it had a flower pattern.
