

Reception Newsletter

Monday 13th September 2021

Settling in

We are very impressed with how quickly the children have settled back into school. They have already been busy exploring the different areas of learning in and outside of the classroom. We hope that you have enjoyed seeing what your child has been getting up to on Tapestry.

Who inspires you?

As a school we are going to learning about people who inspire us. Reception will be learning about Sir Tom Moore and how inspirational he has been.

Maths

We are going to be counting to 10 and learning cardinal principles. You can help with this by asking children to find 5 leaves from a large pile, 6 forks from the kitchen draw etc.

Optional Home Work.

It is always beneficial to read with your child 3 times per week.

Try to practise writing this week's letter sounds. Can your child find any objects that begin with this sound? [We would love to see pictures on Tapestry.](#)

We are very much working on independence. This week we would like you to help your child to put their coat on independently and learn to put objects and coats back in their correct place.

Reminders:

This week, we still plan to help the children settle. We will also be starting to carry out the baseline assessment through a playful approach.

PE- Every Monday with Mr Jones, PE pumps required in their school bag.

Fun Fit Friday- Every Friday, PE pumps required/school shoes can be placed in a bag.

If anyone else is collecting your child, please let us know in the morning.

Diary dates

Half term- 18th October

Inset Day - Monday 1st November

School Returns- Tuesday 2nd November.
