

Reception Newsletter

Friday 26th November November 2021

This week

Topic. Our topic question is 'What do Astronauts do?' We have experienced space food, and discovered why Astronauts wear space suits.

Maths This week the children have been learning and exploring times of the day. We have also been learning to form our numbers correctly.

Phonics The children have been learning the new sounds 'sh' 'ch' 'th' and 'qu'. We have been practising writing the sounds using the rhymes. We continue to work on rhyming words, fine motor skills and learning new vocabulary.

You may like to make a list of words which contain these sounds.

Guided writing Each week we add a piece of guided writing to our book. This is usually based on our topic or around a special occasion.

Christmas Singing - has begun and we have been busy learning lots of new songs in readiness for our nativity. Mr warwick also joins the children on Thursday's to boosts our singing skills.

Reminders:

You should have all received information on the part your child is in the Nativity. If you have not please let a member of staff know.

Christmas is nearing and we are on the hunt for as many **card board /kitchen roll** tubes as possible. Thank you for your support.

Lunches are now booked via Parent Pay.

Optional Home Work.

It is always beneficial to read with your child 3 times per week. Red words help with the fluency of reading.

At talk time, we would really love you to use some of the following words with your child.

after	man
back	year
little	came
only	show
round	every

Please practice reading your Red Words at home by sight. We often play find the red word or matching pair games.

Dates
