

Adding the Suffix -ing

Ash and Hassan are tidying up after the school play. They need to decide which suffix follows which root word by putting it in the appropriate basket. Can you help them by deciding which rule applies to the root word then writing the full word on the correct basket?

Ash is checking his spellings. He knows that he has got some of them wrong. Can you mark his spellings correct (✓) or incorrect (x)?

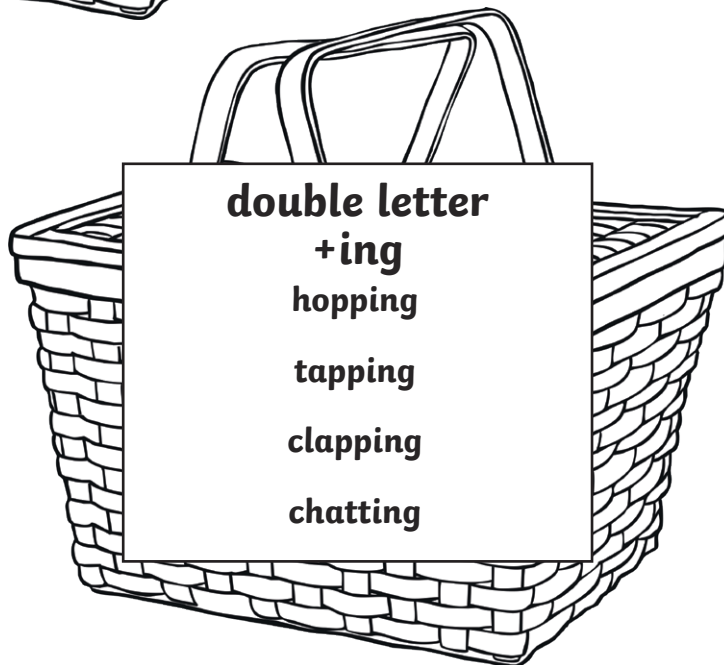

word	✓ or X
careing	
swimming	
hiting	

word	✓ or X
raining
