

Reindeer Tube Craft

You will need:

Cardboard tubes,
e.g. kitchen roll tubes

Brown paint

Googly eyes

Small red pom-poms

Brown pipe cleaners

Glue or sticky tape

Instructions

1. Cut the cardboard tubes so that each child has a piece that is about 10cm tall.
2. Children paint their tube brown.
3. Once dry, children can make a reindeer's face on their cardboard tube by adding a red pom-pom nose and two googly eyes.
4. Help children to bend their brown pipe cleaners to make curly antlers.
5. Attach the antlers to the side of the cardboard tube.
